## 2019–2020 School Accountability Report Card

Translation Disclaimer

# School Accountability Report Card

## Reported Using Data from the 2019–2020 School Year

### California Department of Education

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

## About Our School

Spencer Valley School blends the traditional values and personalized environment of the 19th century schoolhouse with current technology, and understanding of human potential, to create a model school for the 21st century.

A one-school district, Spencer Valley Elementary is nestled in Wynola Valley at the foot of Volcan Mountain, in northeast San Diego County, 4 miles from the historic town of Julian. With a student population of 45 and a staff which includes a superintendent/principal, 4 full time classroom teachers, a part time school psychologist, and a specialist in technology, students receive individualized instruction. Students learn to be responsible for their own learning, behavior, and to the school community.

## School Facility Conditions and Planned Improvements

School indoor and outdoor environments are clean and well maintained. Roofing, carpet, interior and some exterior paint, and the fire system were replaced in the summer of 2017. In the summer of 2018, Prop 39 funding upgrades took place with new installation of HVAC and lighting for energy efficiency. Ceilings and bathrooms will be renovated and water treatment system is scheduled to be replaced in summer of 2022.

## State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School	School	District	District	State	State
	2018– 2019	2019– 2020	2018– 2019	2019– 2020	2018– 2019	2019– 2020
English Language Arts / Literacy (grades 3-8 and 11)	74.0%	N/A	74.0%	N/A	50%	N/A
Mathematics (grades 3-8 and 11)	89.0%	N/A	89.0%	N/A	39%	N/A

Note: Cells with N/A values do not require data.

Note: The 2019–2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019–2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

### Opportunities for Parental Involvement (School Year 2020–2021)

#### FAMILY ENGAGEMENT

Spencer Valley Elementary School District creates a highlevel of family engagement to build capacity within our school families and extended community.

We provide:

- Training and opportunities for adults and student representatives to collaborate in curricular, safety, and budgetary decision making during Site Advisory Council and Local Control Accountability Plan Parent Advisory Committee meetings

- Opportunities for instructional decision making (text book adoptions)

- Surveys to collect school safety information and information about effectiveness of Spencer Valley's programs and effectiveness of home to school communication information from all groups

Together we identify and implement new ideas, monitor and evaluate our successes, and make any needed changes each year in:

- Goals to support achievement targets

- Remedial programs (homework, summer extended learning, and tutoring)
- Expansion of programs
- Social/emotional supports and attendance targets
- Enrichment activities and partnerships

Parents, family, and community members have opportunities to become:

- Classroom volunteers
- Field trip chaperones or guest speakers,
- Attendees of the Running Club, Gardening or Science programs, Fall Festival, Winter Season of Giving, Shakespeare performances and dinner theater, Balboa Park Student Shakespeare Festival, Mother’s and Father’s day events and Tacky (to name a few )

So far this school year, over 90% of families have been present for Back to School Night and parent conferences.

**School Safety Plan (School Year 2020–2021)**

The school safety protocols and routines are reviewed and updated by October with all staff and local law enforcement. Parents are updated on proposed changes to the plan during Back to School Night, Board Meetings, School Advisory Council, and Local Control Accountability Plan Parent Advisory Committee meetings. Staff and students participate in safety drills throughout the year. All staff is CPR/First Aide trained, and staff has received CPI training, and ALICE (active shooter) training. Plans and procedures were reviewed and updated to incorporate the most recent recommendations for active shooter and other safety protocols, including mandatory purple/red flag power de-energization when high wind conditions creating fire danger are present.
